

FutureCom™ Cable Feedthrough Panel 19", 1U

High-grade steel

CORNING

The LANscape® System offers cable management solutions for all installation options and mounting methods. In order to ensure an arranged and clear execution of the patch cords between the patch panels in the LAN cabinets, Corning offers the LANscape 19"-cable feedthrough panel as a clean conclusion in LAN cabinets.

By the employment of 19" cable feedthrough panels they let not used installation levels in 19" cabinets lock cleanly in simplest way. With an edge grommeting the cable feedthrough panel provides an arranged and clear patch cord routing into the cabinet interior.

Specifications

General Specifications

Environment	Indoor
Mounting Type	Rack 19"

Design - Hardware

Colour	high-grade steel
Height Unit	1U
Housing Material	High-grade steel

Mechanical Characteristics

Dimensions (L x W x H)	483 mm x 44 mm x 27 mm
------------------------	------------------------

Chemical characteristics

RoHS	Free of hazardous substances according to RoHS 2002/95/EG
Environmental Compatibility	Recyclable

FutureCom™ Cable Feedthrough Panel 19", 1U

High-grade steel

Ordering Information

Part Number	WAXWSW-00000-C008
Product Description	19" Cable Feedthrough Panel, for feeding the cables into the cabinet interior or rack, incl. edge grommeting, 1U
EAN Code	4042673050155
Colour	high-grade steel
Height Unit	1U
Weight	0.35 kg

Shipping Information

Units per Delivery	1/1
