

LANS Adapter Module, LC Duplex shuttered, ceramic sleeve

multimode OM4, violet/white

CORNING

Based on the LANscape® format the LANC fibre optic adapter modules with metal inserts allow for flexible configuration of LANC/LANS patch panels, outlets and floor box mounting solutions to meet fibre type and connector requirements, including combinations.

Features

- Interchangeable adapter modules are suitable in all LANscape format hardware
- Adapter modules are available in two socket colours (black, white)
- Composite adapters with ceramic inserts
- ST® compatible versions have metal housings and metal sleeves
- LC Duplex adapters with integrated shutters are standard at no extra cost
