

Standard FutureCom™ LANscape® Patch Panels 19"

high-grade steel

CORNING

The FutureCom™ patch panel is universally applicable for all 19-in racks and LAN-cabinets. This allows the free user-specific configuration of building and floor distributors.

The front panel is electrically leading. Integrated grounding points are available at the back. Likewise for grounding 2 latches are available for flat connectors. Particularly to emphasize is the simple and fast installation and clicking of the modules into the patch panel.

Features

- Suitable for all LANscape modules (FO and Copper)

Part Number: WAXWSV-04800-C002

Specifications

General Specifications

Environment	Indoor
-------------	--------

Design - Hardware

Number of Ports	48
Colour	high-grade steel
Height Unit	1.5U
Housing Material	High-grade steel

Mechanical Characteristics

Cut Out	LANscape
Dimensions (L x W x H)	483 mm to 66 mm to 152 mm

Chemical characteristics

RoHS	Free of hazardous substances according to RoHS 2002/95/EG
Environmental Compatibility	Recyclable

Standard FutureCom™ LANscape® Patch Panels 19"

high-grade steel
